SKILLS

- ❖ React
- ❖ HTML, CSS, Javascript
- ❖ Flutter (fresher)

EDUCATION

- ❖ XII (HSC) | Jawaharlal Darda English Medium School And Junior College, Yavatmal

PROJECTS

❖ Dice Game

Built a dice game with a simple yet interactive UI where users pick a number (1–6) and roll a dice to match it. The score increases by +2 for a match and decreases by -1 for a miss.

[\[Deployed Link\]](#)

❖ Docs

Built a simple web app with interactive cards using React. Added motion animations with Framer Motion to enhance user experience, focusing on a clean UI and smooth interactions.
